## Bowled over!

The **Tevo** BatZooka, as shown on TV by Jonty Rhodes, is the ultimate water bazooka with a pump-action shooting mechanism and a great grip – just pull back the handle, suck up the water and shoot water for up to 20 metres! Have your own one-day cricket match by locking the handle into place to convert your BatZooka into a bat, plus you get the ball for free! This makes the BatZooka the ultimate toy for great, safe fun for the whole family. At only R59.95, the BatZooka is available at leading retailers, or from Tevo direct on 0861 77 88 88. For more information, log onto [www.tevo.co.za](http://www.tevo.co.za). 10 Lucky readers can each receive a **Tevo** toy hamper worth R500.

WIN 10

## Take the hand

**Beleduc** Hand Puppets are lovingly made cuddly animals that make good friends for children. Role playing with hand puppets stimulates a child's imagination and develops language skills and self-confidence. These puppets are a great communication tool and offer endless hours of fun for children and parents alike. 20 Lucky readers can each a hamper of three **Beleduc** Hand Puppets worth R240.

WIN 20

WIN 10

### Bags of style

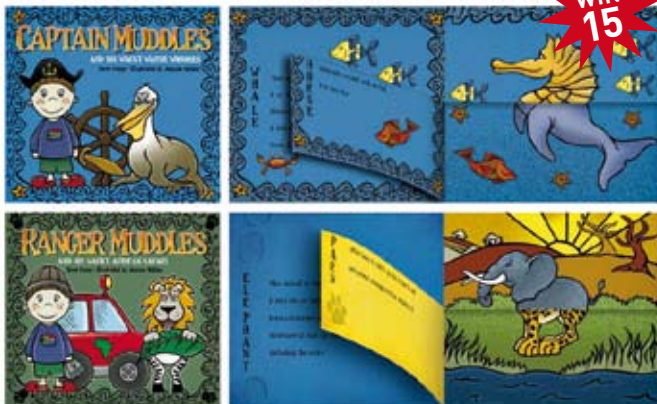

**Dr Brown's** Formula Mixing Pitcher dissolves formula quickly with no clumping and helps to limit the amount of air trapped in the formula. Dr Brown's Tote Bag insulates and keeps your baby's bottles cool or warm. The bag has a moisture-resistant interior for easy cleaning, as well as zippered pockets for storing personal items. 8 Lucky readers can each receive a **Dr Brown's** hamper worth R520, consisting of a Formula Mixing Pitcher and a Tote Bag. As Dr Brown's Tote Bags are not available in SA, don't miss out on the chance to win this special **living and loving** giveaway! Dr Brown's products are available at Baby Boom, Clicks, Dis-Chem and Edgars. Alternatively, you can shop online at [www.edgars.co.za](http://www.edgars.co.za) or at [www.littlestar.co.za](http://www.littlestar.co.za).

For product support, contact 082 577 6751 or email [ironoretrade@telkom.sa.net](mailto:ironoretrade@telkom.sa.net).

### African artistry

**Art Publishers** children's books offer delightful tales all about Africa! The two additions to the range will keep children entertained for hours with a new split-page format. In each of these books are 12 animals that children will recognise and the clever layout allows your child to create many more unique and strange creatures. In addition to these two new books there are 6 titles in the African folklore series which include stickers. 15 Lucky readers can each receive a hamper of four **Art Publishers** children's books, including a copy of each of the new split-page books and two books from the African Folklore series. Each hamper is worth R300. Art Publishers books are available at CNA and all major bookshops. For more information, visit [www.artpublishers.co.za](http://www.artpublishers.co.za)

### Pure potential

The baby experts, Elizabeth Anne's and Purity, have combined their trusted expertise to take care of your little one's delicate skin and hair. The **Elizabeth Anne's By Purity** range is consultant dermatologist- and paediatrician approved, so you can rest assured that your baby is getting the very best. 10 Lucky readers will each receive a hamper containing **Elizabeth Anne's by Purity** products, plus an educational toy for your little one. Each hamper is valued at R500!

### The name game

**Its Mine Labels** currently offer a simple solution to lost property with their wide range of personalised vinyl stick-ons and clothing labels. Kids will love their bright colours and cool icons, and the funky fonts are easy to read. All the labels are microwave and dishwasher safe. You can personalise them and with over 100 icons from which to choose, there is something for everyone! **Its Mine Labels** are great for labelling lunch boxes, juice bottles, sporting goods, books, bags, shoes, stationery and clothing. 10 Lucky readers can each receive a Back to School hamper consisting of an assortment of **Its Mine Labels** worth R500. For easy ordering, log onto [www.itsmine.co.za](http://www.itsmine.co.za). Make sure your kids are nearby as they too will love their fun-filled, interactive website.
